Choose smaller platters for more variety, or larger platters for the best value.

**LET US RECOMMEND YOUR SPREAD**

Tell us your headcount and whether you prefer a lighter or heartier spread. We'll recommend a mix and quantities that fit your event and food & beverage minimum.

Guest ranges assume a shared spread: lower counts for heavier appetites; higher counts for lighter appetites.

Prices exclude service charge and tax. The 22% service charge is distributed entirely to employees working the event.
